This budget will raise more total property taxes than last year's budget by \$150,597 or 27.9%, and of that amount \$110,998 is tax revenue to be raised from new property added to the tax roll this year.

Any person may attend and may participate in the hearing. A copy of the proposed budget is on file with the City Secretary at the address shown and on the Fulshear website (www.fulsheartexas.gov).

Mayor Kuykendall opened the Public Hearing at 9:07 a.m. There were no comments. Public Hearing was closed at 9:08 a.m.

IV. BUSINESS

A. CONSIDERATION AND POSSIBLE ACTION to APPROVE and ADOPT ORDINANCE No. 2012-1082 an ORDINANCE APPROVING and ADOPTING the CITY of FULSHEAR, TEXAS BUDGET for the FISCAL YEAR 2012-2013; MAKING APPROPRIATIONS for the CITY for SUCH YEAR as REFLECTED in SAID BUDGET; and CONTAINING OTHER PROVISIONS RELATING to the SUBJECT

Mayor Kuykendall stated to Council that they have a completed budget in front of them. Mayor Kuykendall thanked City Administrator, C.J. Snipes and Kristina Brashear along with other department heads for their contribution in getting the budget completed. Council applauded the group.

C. J. Snipes, City Administrator, did an overview of the budgets for Council. He stated that the General Fund balance was 1.92 million dollars which means that the budget is a hundred percent funded this year. He stated we have seen tremendous growth in sales tax revenue (anticipated a 52 percent increase with only 29 percent in expenditure). Mr. Snipes stated that only 20 percent of the City's revenue comes from ad valorem taxes (this is not the case with most cities...80 to 90 percent of their revenue is from ad valorem taxes). Currently we have 37 percent of revenue coming from permit fees (this will eventually go away.....we need to start thinking how to increase our sales tax revenue or fee services to fill in the gap). We are expanding our Police force and Code Enforcement staff. We also now have a four-year Capital Improvement Plan for our City streets (this has not happened in the last thirty years). Mr. Snipes also gave the Council an overview of the Enterprise, Development Corporation A and B, and Parks Budgets. He asked if anyone had any questions? It was silent.

Mayor Kuykendall stated we will take a look at combining Water and Waste Water Services for Old Town and Cross Creek Ranch. Mr. Snipes thinks there will be a savings to residents if this is possible.

A motion was made by Alderman Beustring to approve and adopt ordinance no. 2012-1082 an ordinance approving and adopting the city of Fulshear, Texas budget for the fiscal year 2012-2013; making appropriations for the city for such year as reflected in said budget; and containing other provisions relating to the subject.
